Some tips to help you decide which products and services suit you best.

### Hours:

Usually either

Prep > Meal 3-4 hrs £200-£250

Typically 3-4 hours covers: Bridal Preparations, Groomsmen Wedding Car, Bride & Father, Ceremony, Signing, Groups, Portraits, [Mock] Cake Cutting + Reportage throughout

### Albums, CDs or Photo-Packs

An album is the traditional way of presenting your images. Our albums start at £35 – we have 5 albums priced £200 or less. Within this range we have a choice of 12 styles: 2 Storybook, 8 Traditional & 2 Mini.

### Copyright free CDs/DVDs

If you intend to create your own album [storybook or traditional] or would like to copy, share, email, print or publish the images from your Wedding or Civil Partnership you will need to purchase a Hi-Res CD/DVD. For £200 or less we offer two CDs/DVDs: 50 or 100 image.

### Photo-Packs

Heavily discounted these offer a huge saving for bulk purchases compared to individual re-print prices. Photo-packs are a cost effective way to purchase multiple re-prints/enlargements either before or after your big day - especially for family & guests.

We don't recommend you purchase a photo-pack alongside a Hi-Res CD/DVD as it makes better financial sense to utilise your disc & buy prints online - prices can be as little as 4p per print.

### Hours:
